Just watch your friend's face!

Remember those tricks we played on each other as kids—the Musical Doughnut or the Folding Fork? "Try it on your chum—then watch the expression on his face . . ." You remember?

I know a trick worth two of that. Brings smiles instead of scowls . . . thanks instead of threats. I just offer a friend a fill of Afrikander . . . watch him light up . . . watch his face follow suit. Does he register rapture? I'll say he does!

Afrikander's satisfying . . . without being harsh. Mild . . . without being insipid. And Afrikander is an *utterly dependable* tobacco. 8d. buys an ounce.

Navy Agents

By the absorption of the business of Messrs. STILWELL & SONS, the Westminster Bank provides a special Navy Branch, devoted to the banking requirements of the Royal Navy and Royal Marine. Officers and ships' crews are thereby ensured of the facilities they need in the drawing of Officers' pay from Divisional Paymasters, the management of claims for Salvage, Slave Bounty and Prize Bounty, the drawing of Half-Pay, Unemployed Full Pay and Pilotage Allowances, and the preparation of the Annual Return required by H.M. Paymaster General's Office.

A feature is made of attending to the interests of officers and their families during the absence of the former, and a great deal of routine work may be left to the Bank. Fuller particulars and suggestions may be found in a booklet, *The Choice of a Bank for Naval and Marine Officers*, which the Manager of the Navy Branch will be pleased to send if requested

NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,
Admiralty,
London, S.W. 1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

Officers on the Retired List are required to report their private permanent addresses and any changes therein to the appropriate authorities, as laid down in the regulations for Officers on the Retired List (*see* Appendix to the Navy List).

If they are not drawing retired pay or pension, they should also report themselves by letter annually, on or shortly after the 1st January, to the Secretary of the Admiralty, or to the Adjutant-General, Royal Marines (for R.M. Officers), in order to ensure that their names are retained in the Navy List.

Officers on the Emergency List, Officers of the Special Reserve of Engineer Officers, and Special Reserve, Royal Marines, and Officers of the late Royal Naval Artillery Volunteers must similarly report their addresses annually.

Retired and Honorary Officers of the Royal Naval Reserve are required to report periodically as laid down in the R.N.R. (Officers) Regulations.

Retired and Honorary Officers of the Royal Naval Volunteer Reserve are required to report their addresses annually on or shortly after the 1st January to the Admiral Commanding Reserves.

It is particularly requested that all Officers whose names appear in the Retired Section of the Navy List and who are not drawing retired pay or pension should leave instructions that, in the event of their death, the fact is to be reported to the appropriate authority as indicated above.

Note.—The removal of an Officer's name from the Navy List in consequence of failure to report does not involve the termination of his commission or relieve him of the liability for service, if required, when Retired, Emergency or Reserve Officers are called out in time of war or emergency.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of the Degrees held but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer and degrees which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

By command of their Lordships,

O. MURRAY.

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign :—

(*a*) If, from any circumstances, the Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b*) If the number of persons belong to the Naval Forces or Naval Reserve Forces specified in the Admiralty Regulations on board is less than 6, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number is caused by death, sickness, desertion or joining a British Man of War, or by some unavoidable casualty.

(*c*) If it should be found that, although the ship is provided with an Admiralty Warrant, the above Regulations are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty if the Commanding Officer is on the Retired List of the Royal Navy and to the Registrar General in all other cases.

(*d*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty or Registrar General of Shipping and Seamen as the case may be.

2. Subscription :—

For all officers on the active list of and above Ward-room rank and all officers on the retired list who held such rank whilst still serving on the active list, the annual subscription to the Society is one guinea ; but, in the cases of officers on full-pay, half-pay or retired pay whose service emoluments are less than one guinea a day, the annual subscription may be one day's service emoluments which the officer was receiving on the 1st January in each year. Life membership may be secured on payment of a sum of not less than £10.

3. Assistance :—

Grants are made by a Quarterly Court on the recommendation of the Committee. Each application is carefully considered and is dealt with on its merits. Only one grant is made to an applicant in any one year, but the number of recipients in a family is not limited.

The Committee consists of not less than 15 members, each of whom is elected for three years at one of the Quarterly Courts held in the third week in January, April, July and October in every year. Hon. Secretary of Ladies' Committee : MRS. GRANT.
Secretary : PAYMASTER-CAPTAIN R. F. WARDROPER, R.N.

THE object of the Home is to provide primarily for the fatherless and/or motherless children of those below Warrant Rank serving or who have served in His Majesty's Navy or Royal Marines.

If accommodation is available to receive the children of men below Warrant Rank serving or who have served in His Majesty's Navy or Royal Marines when very special circumstances render this desirable in the interests of the children.

To give the children a useful and religious education according to the principles of the Church of England, and to support and clothe them. To train and equip the girls for domestic service or such other occupation as the Directors deem advisable. To give appropriate training and equipment to the boys.

In selecting children for entry each case will be considered on its merits. As a general rule fatherless children will be deemed to have first claim.

In every case the Directors will determine, according to the circumstances of the case whether a contribution is to be made by the parent or guardian to assist in the maintenance of the child and what the amount of the contribution shall be.

In the Home there is accommodation for 110 girls, these are eligible for admission between the ages of 7 and 11 years. There is also accommodation for 30 infant boys and girls between the ages of 4½ and 7 years.

The girls are under the guidance of a capable Matron, assisted by properly qualified Instructresses ; between the ages of 14 and 16 they are subject to a course of domestic training in the Home, unless they have qualified for the Secondary School course, when their schooling is continued, and every girl who shows a particular aptitude for any special subject is given facilities for pursuing her studies at the Municipal College.

Boys over the age of 7 years are sent to the Swanley Home in Kent, where they are maintained and educated until they reach the age of 14. Suitable boys who wish to go to sea are retained there until they are 16 and given special education and facilities for entering the Mercantile Marine as apprentices.

Accommodation for 59 boys, maintained by the funds of the Home, is available at Swanley.

The Directors depend upon voluntary contributions for funds to carry on the Home ; the number of children they can receive is governed by the amount of pecuniary support given. They therefore confidently appeal for help in carrying on and extending these works of usefulness ; rescuing from want and misery, and educating and rendering fit for a useful and happy life the children of those who have served their Country and who, in many cases whilst thus engaged, have lost their lives in war or by shipwreck or illness.

Visitors are cordially invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen Killed or Disabled in the War.

This Fund was settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13th, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh, in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

The Fund produced an annual free income of about £1,000.

The Trustees are Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; the Lord MACMILLAN, K.C.; Mr. E. F. H. BRADBY, Solicitor, London; and Sir GEORGE MACDONALD, K.C.B., Secretary of the Scottish Education Department.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from November 11th, 1918, being the date of the cessation of hostilities in the late War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and they have not laid down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43, Castle Street, Edinburgh.

THE FLORENCE NIGHTINGALE HOSPITAL FOR GENTLEWOMEN

19, LISSON GROVE, LONDON, N.W.1.

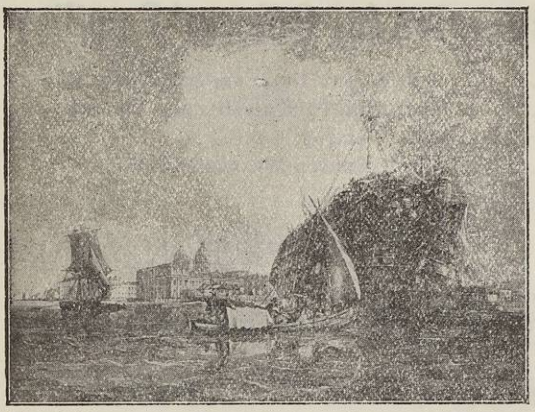
This Hospital was founded in 1850 by VISCOUNTESS CANNING and organised by MISS FLORENCE NIGHTINGALE, who acted as the First Lady Superintendent before she left for the Crimea.

Its object is to provide gratuitous medical and surgical treatment for ladies of limited means, Governesses, Artists, Hospital Nurses and relatives of the Clergy, Naval, Military and Professional Men.

Patients are attended by eminent Physicians and Surgeons from the Staffs of the leading London Hospitals.

The income is derived from patients' fees, which vary from £2 2*s*. to £4 4*s*. per week, equalling about half of the total expenditure, and from investments which bring in about £300. The Balance of some £3,000 has to be made up by annual subscriptions and donations.

Any further particulars, together with forms for admission, and the Report for 1926, *can be obtained from the Lady Superintendent at the above address.*



The old "Dreadnought" as she lay in the Thames off Greenwich. (Removed on Shore, 1870.)

No sick sailor is ever refused admission to the "Dreadnought."

The Merchant Seaman is dependent upon the "Dreadnought" for relief in time of illness or accident.

Many of the patients have seen service in the Royal Navy.

Officers and men of the Royal Navy suffering from tubercle may receive treatment at King George's Sanatorium for Sailors, which is now equipped with a new Sunlight Unit.

Vice-President ... ... H.H. The Princess Helena Victoria.
Chairman and Founder ... Mrs. Brinton, C.B.E.
Hon. Treasurer ... ... Sir Lawrence Weaver, K.B.E.

OBJECTS OF THE ASSOCIATION.

(1) To Provide unfurnished houses and flats at nominal rentals for officers' widows and dependants and gravely disabled married officers.

(2) To make grants in aid of rent to persons similarly qualified.

(3) In affiliation with the Officers' Association, to give financial assistance in connection with housing, either by way of grants or loans, in cases of special distress, to officers, whether disabled or not, and their widows and dependants.

All houses, flats and funds are necessarily reserved for those whose means make it impossible for them to provide decent homes for themselves and their families, without such assistance as the Association is able to give. In the consideration of applications, special regard is had to the extent to which the applicant's income has been reduced as a direct result of War Service, and preference is always given to those with young families.

The Secretary, Captain H. D. BENNETT, will be pleased to give further information to those interested, whether as supporters or as prospective beneficiaries, on application, by letter or personally, at the office of the Association—
